‘LES PETITS MORLET’

SONOMA COUNTY SAUVIGNON BLANC - SÉMILLON

Growing up the children of a fifth-generation French Winemaker, Paul and Claire Morlet spent much of their childhood exploring vineyards. From the time they could walk, Luc shared his knowledge and passion about viticulture and winemaking with them. Their appreciation for their father's talents continued to grow as they both entered their teenage years. From a judicious blend of different barrels, this special cuvée from Sonoma County embodies the lively, aromatic and classic character of the Sauvignon Blanc grapes and is the offspring of our internationally acclaimed ‘La Proportion Dorée.’ Named in honor of our children, Paul & Claire, ‘Les Petits Morlet’ Blanc represents their enthusiasm, skills and cheerfulness.

TASTING NOTES

“The 2024 ‘Les Petits Morlet’ Blanc is a golden straw hue and is savory and long on the palate. I love Sauvignon Blanc when properly ripe. It has a gravelly mountain feel and very good structure, while the nose offers notes of almond, refined spice, candied citrus, and sage. They do push ripeness here, and the wine gains more white peach and savory tones while remaining spicy and long on the palate, with more elegance. This is a Sauvignon Blanc that can age.”
